

Are you students inspired by the unknown? The element of surprise that comes from a randomly drawn task? If they are then you're going to want to check out our new tool. Introducing "Spin It" a random exercise & activity generator that brings the fun back to your activities.

You can use the app accessible via any device to create your own 'spinners' in minutes, allowing you to randomize the results for serendipitous fun. See it in action below [Start Spinning](#)
